1. Print the label: Select Print from the File menu in this browser window to print the label below (please use only laser printers).

2. Fold the printed label at the dotted line: Place the label (address side up) in a UPS shipping pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label area being careful not to damage the bar codes or addresses.

3. Pickup Have your shipment(s) ready for the daily pickup as usual. If you are using a different 'ship from' address than your dealer address or if you want to schedule a different pickup time, please call our customer service number.
